

Jay Coughlan
CEO, Author & Inmate

Presents
Christ's Strength Through my Weakness

Jay Coughlan has been a CEO, an author, a national keynote speaker, and a mentor to aspiring business leaders. He is also a **convicted felon, and has spent time in prison.** While his business success shielded him from a relationship with Christ a personal tragedy enabled it. It was in Jays "Weakness" that he was willing to seek the love and forgiveness that only **Christ** can provide.

During the dark part of his life, Jay began developing a framework for dealing with the troubles that life inevitably brings. Jay uses lessons gleaned from his own missteps to help change the paths of individuals and organizations. He has combined his passion with his experience as a chief executive, creating **TruBalanced™: Building Better Business Leaders** and authored **Five Bold Choices.**

Jay is currently the **Chairman of the Board at Minnesota Adult and Teen Challenge** and utilizes his God-given gifts to help others experience the Grace he has received. Elements of his story can be heard on the **CBN's 700 Club.** Please come and be inspired by his story.
